

Results Summary

As part of the process of formulating the 2022-2025 Regional Plan, the X Interamerican Scout Summit was held with the participation of 145 representatives from 29 National Scout Organizations.

With the work carried out on 27 and 28 November, three important outputs were generated:

1. Baseline update

The baseline corresponds to the measurement of the level of progress at the present time in each subject that is part of the regional plan, supported by concrete evidence (documents, tools, measurements, implementations, events, etc).

The participants analyzed the existing baseline and contributed to its updating by providing evidence of progress in their organizations for each element or by expressing their interest in contributing and advancing in the near future.

In total, 477 comments were received on the baseline, of which 99 refer to aspects already being worked at the NSOs and 151 in which they expressed their interest in working.

2. Formulation of KPIs

Based on the 11 Strategic Objectives proposed with their 25 lines of action, the participants used the baseline to establish the proposed KPIs of the 2021-2025 Regional Plan with 182 contributions.

The next step will be its final formulation by the Working Group for the Regional Plan and the Staff of the World Scout Bureau - Interamerica Support Centre.

| Adults in Scouting | 19 |

3. NSOs Commitments

One of the important elements is to establish the commitments of all the actors with the new Regional Plan, that is, the commitments of the NSOs, the Regional Office and the Interamerican Scout Committee.

On this occasion, the commitments of the NSOs with the proposed objectives were obtained as follows:

- Participating NSOs committed to **89%** of the lines of action
- In 6 of the 11 Goals, **all** the NSOs present at the Summit established at least one commitment.
- In the other 5 Objectives, there were commitments from at least **90%** of the participating NSOs.
- The strategic priorities with the most commitments were

Youth Programme – Youth Engagement – Communications – Diversity and Inclusion – Adults in Scouting - Growth
